

Roll Off Container Usage Policy

To whom it may concern:

I, _____ am requesting a roll off container from the EBCI Sanitation Department to be delivered to:

Physical
Address: _____

Contact Person: _____

Phone Number: _____

Roll off container usage policy:

1. Roll off containers are to be used for house hold items/white goods or brush only (not to be mixed). Building or construction materials are not allowed to be discarded into roll off container.
2. In the event suspicious materials are found in the roll off container an assessment (testing) will be done and the assessment costs will be the responsibility of the person named above. Roll off container will remain at respected address until assessment is complete and subject to final analysis.
3. Upon the final analysis if an abatement is needed to remove hazardous material/s found in roll off container, the abatement cost will be the responsibility of the person named above. Roll off container will remain at respected address until abatement is complete.
- 4. There is a 14 day maximum time limit allowed to keep the container.**

I have read and fully understand the EBCI Sanitation Department's Roll Off Container Usage Policy and agree to all rules as described above.
